## My Skills

**Wordpress Theme-based**

**Wordpress Custom**

**Wordpress - Elementor**

**Plugin Integration**

**Frontend**

## Education Background

### Diploma in Software Engineering

2024 – 2026    **( SBTE )**

Learned practical website creation and gained hands-on experience in coding through academic projects

### Intermediate (Pre-Engineering)

2024 – Continue    **Karachi Board**

Continuing Intermediate studies under Karachi Board with a focus on science and mathematics subjects

## Work Experience

### WordPress Developer

2024    **(Self-Learning Projects)**

Developed and customized multiple websites using WordPress and Elementor while improving front-end development skills. Focused on creating responsive, visually appealing, and user-friendly layouts

### Front-End Developer

2023    **Self Projects**

Worked on HTML, CSS, and JavaScript projects to understand website structure, styling, and interactivity. Built sample templates to enhance practical coding experience.
